RESOLUTION NO. 6703A

A RESOLUTION authorizing the City Manager or his designee to reject, on behalf of the City, a Hazard Mitigation Grant Program (HMGP) grant from the Federal Emergency Management Agency (FEMA) for the City Hall Seismic Improvement Project, in the amount of \$745,220.

WHEREAS, in April 2001, the City applied to the Federal Emergency Management Association (FEMA) for a grant to fund the City Hall Seismic Improvement Project; and

WHEREAS, in February 2002, the State of Washington completed review of the application and recommended to FEMA that the City be awarded \$638,760 in Federal funds and \$106,460 in State funds; and

WHEREAS, in April 2002, the State of Washington notified the City that the grant had been approved; and

WHEREAS, it has been determined that to be eligible for the grant the City must commit to proceeding immediately with the City Hall Seismic Improvement Project and to thirty years occupancy of the building; and
